MEETING MINUTES

Morrison SWCD Regular Board Meeting
Friday, February 27, 2026, at 8:00 am
USDA Service Center, 16776 Heron Road, Little Falls

ATTENDING IN-PERSON: Supervisors: Brutscher, Faber, Saehr, Hubner and Scholl;
Commissioner: Winscher; SWCD Staff: Wettstein and Becker; NRCS Staff: Zapzalka; BWSR:
Hrubes and Arne

SECRETARY MINUTES MSC Saehr/Faber to approve with one change, to update the Secretary at the bottom from Faber to Hubner. Motion passed unanimously.

FINANCIAL and TREASURER REPORTS MSC Scholl/Hubner to approve. Wettstein shared we have not received the reimbursement request from DNR yet so that is why the total money on deposit is lower this month. Motion passed unanimously.

COMMISSIONERS REPORT Winscher went over business happening at the county including the renewable energy moratorium, tribal appeal, and redistricting the shotgun rifle zone.

GUEST REPORTS

1. NRCS – Zapzalka shared there has been a lot of interest in conservation. Right now, they are ranking 108 applications and hoping to get 20-30 funded.
2. BWSR, Brett Arne Board Conservationist – Arne introduced himself as our new Board Conservationist. Jeff Hrubes was also in attendance and presented that it is budget time for the Clean Water Council, so they are talking about the Watershed Based Implementation Funds (WBIF).

NEW BUSINESS

1. DNR Reimbursement for LCCMR Project Funds – Wettstein explained that the DNR will not reimburse as the Memorandum of Agreement we have with the Historical Society is not sufficient for a financial transaction and is recommending a Contract for Services be developed instead. MSC Scholl/Faber to move forward with executing the contract after the attorneys agree on the final document and the MCHS board approves. Wettstein explained that once the MCHS board signs, she will move forward and they will update the reimbursement request with LCCMR. Motion passed unanimously.
2. Letter of Support to Great River Greening for LCCMR Forest Health Application in the Brainerd Lakes Conservation Focus Area – MSC Faber/Hubner to sign a letter of support of this application. Motion passed unanimously.
3. WCA Appeal Update – Wettstein updated the board that our attorney is working on a brief as it is due the first week in March and then Kalahar-Grissom will submit one before Stroschein submits the final brief. The oral argument will be heard at BWSR in St. Paul on April 23.
4. The Nature Conservancy Subaward for Wetland Restoration Funds – Wettstein asked the board if she could continue talks with TNC on securing private funds to execute wetland restorations. This is money that Sanoski is lining up projects for and has a lot of interest from landowners. Board all agreed to move forward with these discussions. Wettstein will work to have a subaward agreement for next month's meeting.

Mission: To provide leadership and direct assistance for conservation management of soil and water

USDA Service Center, 16776 Heron Road, Little Falls

4. Mississippi River Sartell One Watershed One Plan Update – Saeher opened a discussion to the board on the preference between JPE or Collaborations. Arne contributed that about 20% of the state has gone to a JPE model. Saeher would like to know what the group would like to do. Each member shared the merits of their arrangements in the watershed groups they attend.

MANAGER REPORTS

1. MASWCD/NACD Updates for SWCDs – Annual Meeting – Brutscher attended along with Becker from the district. The meeting was held in San Antonio Texas and again had a strong presence from Minnesota. Brutscher and Becker shared some of the topics they attended sessions on and thanked the board for the opportunity to attend.
2. Presentations – Morrison County Contractor Meeting – Wettstein and Becker are working together to present at a series of meetings that Land Services is offering to shoreline contractors to attend. It is now a requirement for contractors working on shorelines to attend this meeting, pay \$200 and get a license from Morrison County.

MEETING MINUTES

Morrison SWCD Regular Board Meeting
Friday, March 27, 2026, at 8:00 am
USDA Service Center, 16776 Heron Road, Little Falls

ATTENDING IN-PERSON: Supervisors: Brutscher, Faber, Saehr and Scholl; Commissioner: Winscher; SWCD Staff: Wettstein; NRCS Staff: Zapzalka

SECRETARY MINUTES MSC Saehr/Scholl to approve. Motion passed unanimously.

FINANCIAL and TREASURER REPORTS MSC Saehr/Faber to approve. Wettstein shared we have not received the reimbursement request from DNR yet again this month so that is why the total money on deposit is lower this month. Motion passed unanimously.

COMMISSIONERS REPORT Winscher shared the solar CUP did not pass. Also, Representative Isaac Schultz shared there have been so many people in St. Paul government that have left and they are so worried about fraud that no one is willing to make a decision. Also, a lot of people showed up to express their support for a rifle deer hunting area.

GUEST REPORTS

1. DNR Reimbursement for LCCMR Project Funds – Wettstein mentioned this earlier in the meeting.
2. WCA Appeal Update – Wettstein shared that the next step is for Stroschein's attorney to submit the final brief and then the oral arguments will be held in front of the dispute resolution committee. Wettstein and Scholl had discussed not attending this hearing and letting the attorney represent the district. The previous briefs prepared by our and Stroschein's attorney and Ben Kalahar, Ellen Kalahar's son, were shared.
3. The Nature Conservancy Subaward for Wetland Restoration Funds- MSC Faber/Scholl to approve signing the subaward agreement for \$55,000. Wettstein explained that this subaward sounds promising for additional private donation funding to support this work. This initial money will need to be spent down this year, but Sanoski has a long list of interested landowners.
4. USFWS Small Grant- Wettstein had received a call last month from USFWS asking if we would be able to accept funds to pay contractors to do work on private land wetland restoration. This is again work that Sanoski has landowners interested in. Due to changes at the federal level USFWS was no longer going to be able to do this work but they could have a partner agency receive a grant from them. Due to the time sensitive nature of it, Wettstein had called Brutscher and discussed moving forward with our interest. Wettstein can report back if this mechanism will work but the initial grant would be \$49,975.
5. 2025 Annual Report and 2026 Annual Plan of Work – This work was prepared by McDonald and Wettstein asked the board to review for next meeting.
6. One Watershed One Plan Workload Discussion – Wettstein shared that she was hoping to put together a better comparison of each of the watersheds and the amounts we have for each to help with a discussion. The board said that it would not be necessary and continued to have an open discussion about some of the differences and challenges as well as holding the opinion that they would like to continue to see more dollars going to projects and resist spending more on administration and staffing.

SECRETARY MINUTES MSC Scholl/Saehr to approve. Motion passed unanimously.

FINANCIAL and TREASURER REPORTS MSC Scholl/Faber to table the April Treasurers Report until the board can approve a resolution documenting the transfer of funds to the checking account that supports the Mississippi River Sartell planning grant. Motion passed unanimously.

COMMISSIONERS REPORT Absent

GUEST REPORTS

1. NRCS- Troy Daniel is hosting a series of round tables and he hosted one on ag waste where local farmers who had done these NRCS practices were invited and gave feedback to NRCS. There were four projects funded with the RCPP Irrigation, more money coming for CSP and EQIP and the Local Work Group will be on June 3.
2. BWSR, Brett Arne Board Conservationist – Shared at the legislature WCA rule is being discussed as is the wording in the 103A statute to replace the phrase “land occupier.” He is working on holding contract review trainings. Also updated the board that Moriya Rufer will be leaving HEI to work for BWSR as a Board Conservationist in his old work area and that all the RCPP Soil Health funding is encumbered.

NEW BUSINESS

1. DNR Reimbursement for LCCMR Project Funds- Wettstein shared these funds are not here yet.
2. WCA Appeal Update – the Dispute Resolution Committee at BWSR heard the appeal and will be recommending to the full BWSR Board that they uphold the SWCD decision. This meeting will be May 27 in St. Paul. Once a decision is made there, parties would have 30 days to appeal.
3. 2025 Annual Report and 2026 Annual Plan of Work – MSC Saehr/Faber to approve. Motion passed unanimously.
4. One Watershed One Plan Discussion – Wettstein had this on the agenda in the case anyone wanted to discuss this issue further. The group talked about administrative time to implement these planning efforts and funding. The differences between the watersheds in how some are hiring staff, others are discussing doing this and the demand for project money. Scholl talked about the Rum putting together the budget for the next round of funding.
5. Soil Health RCPP Funding – This funding does have a contract on the agenda later on the meeting (SHRCPP). We have been told not to list the landowner name on the agenda for this grant. This funding is now all encumbered for the state so the funds we have are what is available.
